Question 1:Do you agree that Ofcom should grant approval to Royal Mail for the Delivery to Neighbour service? If not please explain your answer. :

Yes, but with restrictions

There are some neighbours I would not trust to pass on mail timeously, and some I would not trust to pass it on at all.

I could only fully support this scheme if I was able to stipulate which neighbours could take in my mail.

Question 2:Are there other consequences following the roll out of the service across the UK that we have not included in our assessment? If so, please explain.:

I would like to know who would be legally responsible if mail left with a neighbour was lost/stolen?

Question 3:Do you have any comments on the scope and wording of the proposed Notification and approval:
