

Question 1:Do you agree that Ofcom should grant approval to Royal Mail for the Delivery to Neighbour service? If not please explain your answer. :

No - I live in a city, and I don't know my neighbours very well. I also work different shift patterns, so it could make it difficult to collect my parcel from neighbours sometimes for a number o f days if we kept "missing each other".
Also as I work nights a lot, I do not wish to be disturbed to receive parcels for my neighbours on a regular basis.

Question 2:Are there other consequences following the roll out of the service across the UK that we have not included in our assessment? If so, please explain.:

no

Question 3:Do you have any comments on the scope and wording of the proposed Notification and approval:

no
