

Question 1:Do you agree that Ofcom should grant approval to Royal Mail for the Delivery to Neighbour service? If not please explain your answer. :

No. I think this could cause problems especially for people who either don't know their neighbours or don 't get on with them. It should be an opt in system as I accept some neighbours are brilliant. Other though are not and it could put people at risk if they either have to fetch a parcel or put a sticker up to say they don't want the service.

Question 2:Are there other consequences following the roll out of the service across the UK that we have not included in our assessment? If so, please explain.:

Question 3:Do you have any comments on the scope and wording of the proposed Notification and approval:
