Additional comments:

we as local people from north devon want our own local radio station,we want local news traffic we are not getting this from heart radio,local is not exeter/london local is bideford,barnstaple and surrounding areas,we should as locals have a say the voice fm should get a chance to do OUR local radio station,not just 28 days at a time we want them FULL TIME!

Question 1: Do you think that allowing Now Digital to extend the coverage area of its Exeter & Torbay local radio multiplex licence to include North Devon would unacceptably narrow the range of DAB programme services available in the Exeter and Torbay area? Please explain the reasons for your view.:

not a good idea,this will affect a range of bbc radio and local radio

Question 2: Do you think that allowing Now Digital to extend the coverage area of its Exeter & Torbay local radio multiplex licence to include North Devon would be calculated to maintain or promote the development of digital sound broadcasting in the UK otherwise than by satellite? Please explain the reasons for your view.:

dont want dab in north devon

Question 3: Do you think that Now Digital's proposals for providing coverage of North Devon are satisfactory? Please explain the reasons for your view.:

no,not all areas will receive this

Question 4: Do you consider that Now Digital has the ability to maintain its local radio multiplex service if its request is granted? Please explain the reasons for your view.:

this is not a good idea,should not be granted,us as local people should have a say not be ignored,we dont want this

Question 5: (For programme service providers on the Exeter & Torbay local radio multiplex only) Do you consider that there are sufficient safeguards in place to protect your rights and interests in the event that Now Digital is permitted to extend coverage to include North Devon?:

we are not asked,we as local people from north devondo not want dab we want our own local radio

Question 6: Do you consider that there any other grounds on which Ofcom should approve, or not approve, the request from Now Digital? Please explain the reasons for your view.:

this will be a bad move for alot of areas from north devon alot of areas will not receive,our radio is not local,exeter and london are not local to us
