Question 1: Do respondents have any comments, additional to those made in their responses to the November consultation, on Ofcom's approach and conclusions on market definition as set out in Section 3 of this document?

Question 2: Do respondents have any comments, additional to those made in their responses to the November consultation, on Ofcom's proposed market power findings for the Hull area, Market 1 or Market 2?

Karoo have a monopoly in the Hull area, they provide a shocking service for the amount of money that we pay to them!!

Sky Broadband offer a free broadband service to its customers that take the sky talk package but we are unable to take this package as no other companies are allowed into the Hull area!

We should be allowed to have an option for our broadband service and not go with the ONLY one that is on offer!!!

How would other people cope if they only had one choice, if Tesco

was the only supermarket allowed to serve Hull, I'm sure Asda Sainsbury's and Morrison's would be up in arms about this!!!

Question 3: Do respondents agree with the approach set out by Ofcom for its market power assessment in Market 3 and its conclusion that there is no-SMP?

Question 4: Do respondents have any comments, additional to those made in their response to the November consultation, on Ofcom's proposed regulatory remedies for the Hull area Market 1 or Market 2?

Question 5: Do respondents agree with Ofcom's proposals in relation to providing affected parties with a period of notice prior to the removal of certain SMP services conditions in Market 3? In particular do respondents agree with the proposed notice period and the proposed SMP service conditions to which the notice period applies?
