Question 1: Do respondents have any comments, additional to those made in their responses to the November consultation, on Ofcom's approach and conclusions on market definition as set out in Section 3 of this document?

Question 2: Do respondents have any comments, additional to those made in their responses to the November consultation, on Ofcom's proposed market power findings for the Hull area, Market 1 or Market 2?

Question 3: Do respondents agree with the approach set out by Ofcom for its market power assessment in Market 3 and its conclusion that there is no-SMP?

Question 4: Do respondents have any comments, additional to those made in their response to the November consultation, on Ofcom's proposed regulatory remedies for the Hull area Market 1 or Market 2?

Question 5: Do respondents agree with Ofcom's proposals in relation to providing affected parties with a period of notice prior to the removal of certain SMP services conditions in

Market 3? In particular do respondents agree with the proposed notice period and the proposed SMP service conditions to which the notice period applies?

Additional comments

I must admit to being totally unsatisfied regarding the KC domination of telecommunications for domestic households in the Hull area.

KC have said in the past that there is no objections to allowing other service providers onto their network. So where are they? Something is amiss.

I drool when the likes of Sky, Virgin & CPW Talk Talk offer crazy prices for ISP, Landline and TV.

Quite simply the whole KC monopoly in the Hull area is unfair.
