**Question 1: To what extent do you consider that DTT, DSat, cable and IPTV are in competition with one another for subscribers of pay TV services ? either at present or in the future?:**

i do not consider freeview has competition to the other platforms

**Question 2: To what extent do you consider the Proposal is likely to deliver benefits to the consumer?:**

i do not believe the proposal has any benefit to the consumer

**Question 3: To what extent do you consider that there is scope for sustainable competition in pay TV on the DTT platform and, more broadly, across all pay TV platforms?:**

i do not believe there is scope for sustainable competition on dtt platform .

**Question 4: What are likely to be the key aspects of competition between providers of retail pay TV services on the DTT platform? E.g. what is the role of premium sports and movies content?:**

i think most people want the platform to be free

**Question 5: Do you consider that if Sky were to become the only provider of pay TV on the DTT platform it would be likely to have a significant detrimental effect on competition in the long term? How might this affect the development of other platforms for the delivery of pay TV services?:**

i think sky will have too much power on the platform ,if they get a pay element on this platform

**Question 6: To what extent, if at all, do you consider that the Proposal would be likely to lead to any of the public policy concerns outlined at Section 4?:**

alot

**Question 7: Specifically, to what extent do you consider that the Proposal would be likely to lead to consumer confusion?:**

i think it will lead to less channels free to air and damage the platform

**Question 8: To what extent do you consider that it is beneficial for consumers to be able to obtain Sky and existing DTT pay TV content without having to purchase separate STBs?:**

no benefit

**Question 9: Do you consider that the Proposal might lead to any additional public policy concerns:**

yes damage the freeview idea

**Question 10: If Sky becoming the only provider of pay TV services on the DTT platform were likely to have a significant detrimental effect on**

**competition, do you consider that it is possible to address this through a set of additional conditions and/or directions? If so, what form should those conditions/directions take?:**

yes sky would have astranglehold on the main digital platform
