

2<sup>nd</sup> August 2017

**:: Ofcom**

Riverside House  
2a Southwark Bridge Road  
London  
SE1 9HA

Dear Sirs,

Further to Ofcom's proposals announced on 6<sup>th</sup> July 2017 to exempt commercial multi-user 'gateway' devices, known as COMUGs, from the licensing requirements which we believe was the legal position in 2003 and inviting comments on the draft regulations by 8 August 2017, please note that we full support the decision.

Yours faithfully

Anthony Lloyd-Weston
