

# Complaints about Broadband, Landline, Mobile and Pay-TV services

---

Q3 2024 Report

**Report**

Publishing 13<sup>th</sup> February 2025

# Report

**As the UK's communications regulator, Ofcom receives complaints from customers about their landline, fixed broadband, pay-monthly mobile and pay-TV services.**

To better understand the reasons for dissatisfaction among residential customers in our sectors, we compile that data and determine the number of complaints received by provider and by service. To compare the performance of providers, on a quarterly basis we publish the number of complaints that we received about them relative to the size of their customer bases (i.e. per 100,000 customers).

## Overall Trends

---

In the quarter from July to September 2024 (Q3 2024), the number of complaints to Ofcom decreased slightly from the previous quarter (Q2 2024: April to June), however the overall level of industry complaints stayed broadly the same compared to the previous quarter.

- **TalkTalk** generated the most fixed broadband complaints. Complaints about TalkTalk saw an increase from the previous quarter.
- **Sky** was the least complained about fixed broadband provider.
- **EE, NOW Broadband** and **TalkTalk** generated the most landline complaints. EE saw a decrease, NOW Broadband saw a decrease, and TalkTalk saw an increase in their complaints per 100,000 subscribers compared to the previous quarter.
- **Utility Warehouse** was the least complained about landline provider.
- **O2** continued to be the most complained about pay-monthly mobile provider. Customer complaints were primarily driven by how their complaints were handled.
- **EE, Sky Mobile** and **Tesco Mobile** were the least complained about pay-monthly mobile providers.
- The most complained about pay-TV providers were **EE** and **Virgin Media**.
- **Sky** and **TalkTalk** were the least complained about pay-TV providers.

*See below for information about the comparability of certain providers' number of complaints. Our background and methodology document [\[link and metadata\]](#) goes into more detail.*

The chart below shows the relative volume of complaints we have received for broadband, landline, pay-monthly mobile and pay-TV services. You can use the slider to filter by year.

## Relative volume of complaints per 100,000 customers

Taking a year-on-year comparison, the relative volume of complaints about fixed broadband, landline, and pay-TV decreased and complaints about pay-monthly mobile stayed the same.
