

ABOUT THIS SURVEY

Ofcom conducts annual Diversity in Broadcasting monitoring in order to develop a more comprehensive picture of the makeup of broadcaster workforces and ultimately to promote a diverse and inclusive broadcasting sector.

As a broadcast licensee you should have received a formal notification request for this information, which sets out why Ofcom require this data and what it will be used for. Annex 1 sets out data protection obligations you must comply with before processing any information which is personal data. Please read these before completing this questionnaire and follow the steps described.

Mandatory sections/questions/response boxes - Highlighted in purple throughout

All broadcast licensees are required to complete **Section A**. All broadcast licensees with more than 20 employees that broadcast for more than 31 days per year will also be required to complete **Sections C, D and E**. It is important to note that Ofcom could find you in breach of your broadcast licence/s if you do not complete and submit the mandatory sections by the date set out in the formal notification request.

Voluntary sections/questions/response boxes - Highlighted in blue throughout

Broadcasters are also asked to complete **Sections B, F, G, H, I and J** if possible. This information is critical for Ofcom to gather an accurate picture of the makeup of the broadcasting workforce against all of the protected characteristics in the Equality Act 2010 and to promote equality of opportunity in relation to employment and training for all potentially under-represented groups. It is not a licence requirement to provide these sections and failure to provide the information will not result in a licence condition breach being recorded and/or sanction being imposed.

Once you have completed all questions on a page click the 'next' button at the bottom of the page to proceed to the next set of questions. **If you need to go back to a previous question you will need to use the 'back' button on the survey to do so (and the 'next' button to advance again) - do not use the back or forward buttons on your web browser.**

You can save your responses and return to the survey at a later date by selecting the 'Save and exit' option at the bottom, provided your responses are submitted ahead of the deadline.

If you have any questions about this survey, you can contact us at EDlinbroadcasting@ofcom.org.uk

You must confirm the following before clicking Next:

- I've received the notice from Ofcom and have sought and obtained the necessary permissions to share the data.**

SECTION A: About you and your organisation

This submission can be completed on a licence-by-licence or aggregated basis (i.e. for your licensed broadcasting services taken together, if you hold multiple licences), depending on how your organisation collects information. If the licensee does not employ more than 20 individuals in connection with the provision of licensed broadcasting services you should include individuals employed by any group companies in connection with the provision of such services in the data you provide. If your organisation holds both TV and radio licences, we require you to provide separate responses for these parts of your business. If you require additional log ins, or have any queries regarding this, please contact us at EDlinbroadcasting@ofcom.org

Please check/complete the following details. If anything already filled in is incorrect please enter the alternative.

If you have autofill switched on within your browser, be careful to ensure that the correct information is provided in these boxes.

Name: _____

Email address: _____

Job title: _____

Are your licensed service(s) received in the UK?

A5

- Yes
- No

A6 Is {A1d} authorised to broadcast for more than 31 days a year?

- Yes
- No

A7 As your organisation either has fewer than 21 UK based employees, or isn't authorised to broadcast for more than 31 days a year (or both), you do not meet the obligation threshold and do not have to continue with this survey. However, the information is still useful in helping us to identify where underrepresentation and barriers to entry/progression exist, so we would encourage you to take part. Do you wish to continue with the survey?

- Yes - continue. As you do not meet the obligation threshold, all questions in this survey are voluntary. You can fill in the survey as set out in the guidance, but please contact us at EDlinbroadcasting@ofcom.org.uk if you have any queries or issues during completion.
- No - I don't wish to complete it

GRAND TOTAL _____

Disability by nation and region

For each category please ensure the sum of all boxes equals the total mentioned in the question (as specified at E1:Disability). The error messages at the bottom of the screen will disappear when this is correct.

Only categories and fields where one or more employee was assigned previously (at E1:Disability and A11:Nations and regions) will be shown.

For the first question shown, the numbers on the right of the entry boxes will be those already specified across the whole organisation at A11, and then for subsequent questions they will automatically calculate to show the remaining numbers available to allocate for that nation or region. The number entered into each box should always be lower or equal to the number to the right of it.

The grand total at the end should add to {E1a12_CALC} (the sum of those with and without an illness, condition or impairment).

GRAND TOTAL _____

Sex by race and ethnicity

For each category please ensure the sum of all boxes equals the total mentioned in the question (as specified at C1:Sex). The error messages at the bottom of the screen will disappear when this is correct.

Only categories and fields where one or more employee was assigned previously (at C1:Sex and D1:Ethnicity) will be shown. We will not be asking for the ethnicity breakdown of any 'intersex' employees that may have been specified at C1.

For the first question shown, the numbers on the right of the entry boxes will be those already specified across the whole organisation at D1, and then for subsequent questions they will automatically calculate to show the remaining numbers available to allocate. The number entered into each box should always be lower or equal to the number to the right of it.

The grand total at the end should add to {C1a12_CALC} (the sum of male and female employees).

GRAND TOTAL _____

Socio-economic background by race and ethnicity

At I1:Socio-economic background you specified the number of employees who's parents were in specific professions. Using these numbers the following categories have been calculated.

Professional backgrounds - This is the sum of employees allocated to '*Modern professional & traditional professional occupations*' ({I1a}) and '*Senior, middle or junior managers or administrators*' ({I1b}) = **{I1ab_CALC} employees**

Intermediate backgrounds- This is the sum of employees allocated to '*Clerical and intermediate occupations*'({I1c}) and '*Small business owners who employed less than 25 people*'({I1f}) = **{I1cf_CALC} employees**

Lower socio-economic backgrounds - This is the sum of employees allocated to '*Technical and craft occupations*'({I1d}), '*Routine, semi-routine manual and service occupations*'({I1e}), and '*Long term unemployed*'({I1g}) = **{I1deg_CALC} employees**

For each category please ensure the sum of all boxes equals the total mentioned in the question (as calculated from I1). The error messages at the bottom of the screen will disappear when this is correct.

Only categories and fields where one or more employee was assigned previously (at I1:Socio-economic background and D1:Race and ethnicity) will be shown.

For the first question shown, the numbers on the right of the entry boxes will be those already specified across the whole organisation at D1:Race and ethnicity, and then for subsequent questions they will automatically calculate to show the remaining numbers available to allocate. Thank you for taking the time to complete this questionnaire.

Please do not submit your response until you are satisfied it is 100% complete, as you will be unable to go back in to edit it once submitted.

You can print/generate a PDF version of your responses to the entire survey by clicking the **Print responses** button first. This will allow you to review all your answers before clicking the **Submit** button.

Ofcom will publish all information it requests broadcasters to supply, unless there is a valid reason why the data should not be published under the relevant data protection legislation or if the data is confidential for another reason. Where the number of employees with a certain characteristic is below 10, we do not report/publish it to protect personal data. In these cases, we may choose to aggregate these employees across broadcasters to gain a picture of their representation across the industry at large. No individuals will be identifiable in the final report.
